BC DAY POLAND 2024

About Event

The organizers BC Day Poland 2024 are **Directions4Partners** and the **Warsaw Business Central Group**, which supports the development of knowledge about Business Central in Poland, in particular by organizing free meetings in Warsaw about Business Central.

The conference is organized in cooperation with **Microsoft Polska**.

Last year, over 130 programmers and consultants could learn new things from the world of Business Central. This year we expect about 150 participants.

The agenda includes 6 lectures given by consultants and developers with many years of experience. More details on the website.

How it was last year
